

Listed Equity Research Note: Emirates NBD

Asset: Emirates NBD (ISIN AE_ENBD, issuer ISS_ENBD). Sector: Banking. Country: UAE.

Emirates NBD remains one of the largest UAE banking groups with a strong retail franchise and improving net interest margins. Asset quality is constructive; concentration in UAE real-estate lending is a watch item.

Risk note: as a Banking name, large Emirates NBD holdings contribute to both the Banking sector limit (IPS 4.2) and the single-issuer limit (IPS 4.3). Portfolios with heavy positions should be monitored for breaches of both.
